## RELEASE NOTES

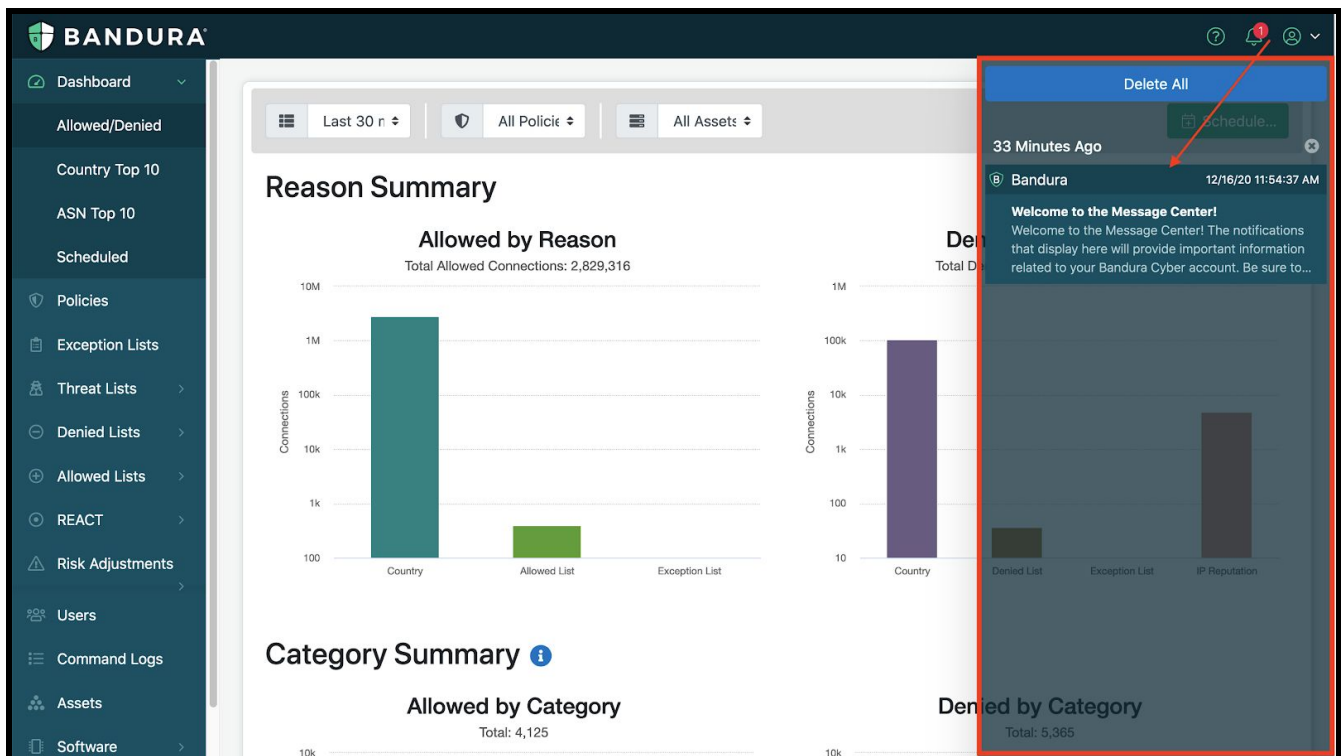

---

**Release:** GMC Build 32 on 16 December 2020

### New Features & Enhancements

#### Message Center:

The Message Center is available via the bell icon in the top right corner of the application and will provide important information related to your Bandura Cyber account. A number on the bell icon indicates a new message is available and selecting the icon will open a sidebar to view (and dismiss) messages.

#### Performance Enhancements:

We've made some improvements to reduce application load times. We hope you enjoy a speedier experience!
